Shipping insurance is something that many buyers overlook when using Acbuy Makeup Migration Spreadsheet, but it can be a worthwhile investment for higher-value orders. Most platforms offer some form of shipping protection, but the coverage details vary. Read the fine print carefully to understand what is and is not covered. In our experience, the small additional cost of insurance is worth the peace of mind, especially for orders exceeding \$100. If a package gets lost or damaged, having insurance dramatically simplifies the refund process and reduces the amount of time you spend dealing with disputes.

A common pitfall that catches many Acbuy Makeup Migration Spreadsheet users off guard is currency conversion fees. Many platforms display prices in USD or EUR but process payments in a different currency. This can result in unfavorable exchange rates and hidden fees that are not immediately visible. We recommend using a currency conversion tool or a fee-free debit card like Wise to make international payments. This gives you the real exchange rate and can save you 3-5% on each transaction compared to using a standard credit card.

Organization is the secret weapon of successful users of Acbuy Makeup Migration Spreadsheet. Develop a consistent naming convention for your orders and tracking entries. For example, use the format YYYY-MM-DD-Platform-ItemName. This makes it easy to sort and search through your records. Use color coding to highlight the status of different orders. For instance, green for delivered, yellow for in transit, red for issues, and gray for returned. These small organizational habits might seem trivial, but they save an enormous amount of time when you are managing dozens or hundreds of orders simultaneously.

A common question we get asked about Acbuy Makeup Migration Spreadsheet is whether it is better to buy in bulk or stick to individual orders. The answer depends on several factors, including the type of product, the shipping method, and your storage capacity. For lightweight items like phone cases and accessories, bulk ordering usually results in lower per-unit shipping costs. However, for heavier items like electronics or furniture, the savings from bulk ordering may be

offset by increased shipping weight. Our advice is to start with a small test order to evaluate product quality before committing to a larger purchase.
