One thing that experienced buyers always check before purchasing through Itaobuy Shoes Scam is the seller's reputation and history. Look for sellers with high ratings, a long track record, and responsive customer service. Read both positive and negative reviews to get a balanced picture. Be especially cautious of sellers who have only perfect reviews with generic comments, as these may be fabricated. A few negative reviews are actually a good sign because they indicate the feedback system is genuine. Pay attention to how the seller responds to negative feedback, as this tells you a lot about their customer service quality.

A common pitfall that catches many Itaobuy Shoes Scam users off guard is currency conversion fees. Many platforms display prices in USD or EUR but process payments in a different currency. We recommend using a currency conversion tool or a fee-free debit card like Wise to make international payments. This gives you the real exchange rate and can save you 3-5% on each transaction compared to using a standard credit card.
