A common question we get asked about Sugargoo Not Received Reddit is whether it is better to buy in bulk or stick to individual orders. The answer depends on several factors, including the type of product, the shipping method, and your storage capacity. For lightweight items like phone cases and accessories, bulk ordering usually results in lower per-unit shipping costs. However, for heavier items like electronics or furniture, the savings from bulk ordering may be offset by increased shipping weight. Our advice is to start with a small test order to evaluate product quality before committing to a larger purchase.
